

HEPA Vacuum Cleaner

VP300 HEPA is the latest member of the VP300 series of basic commercial vacuum cleaners, suitable for everyday cleaning of light to medium duty applications such as offices, hotel rooms, retail stores, etc.

- Certified HEPA filter
- Orange detachable cord for safety and easy maintenance
- Best in class filling capacity, which means less time spent changing dust bags
- Weighs just 5.3 kg* making it easy to move from place to place
- Low sound pressure level of just 50 dB(A) makes this vacuum suitable for daytime cleaning
- Secure accessory and power cord storage and rear mounted tool parking

As part of Nilfisk's continuous work to support environmental protection, the VP300 HEPA uses completely recyclable components.
