

Manual Push Sweeper

It's the quick clean-up solution for warehouses, small factories, car parks, retail stores, malls, schools, hotels, office buildings, bus/railway stations and convention centres. The rugged corrosion proof frame makes this manual sweeper very reliable and robust. Two main and side brooms, make the sweeper extremely efficient, 5 times faster than a traditional broom, saving time and costs. Furthermore, the hopper is very light, strong and equipped with a carrying handle for easy emptying. The SM800 sweeper will keep your premises presentable without hard work.

- Over throw system with two brooms gives excellent sweeping performance when sweeping large debris
- Large ergonomic handle with a soft grip makes the machine easy to manoeuvre
- Dual caster wheels in the front are positioned behind the side brooms and are therefore always in a clean swept area
- Large non-marking wheels makes it easy to push and extremely manoeuvrable
- Rugged corrosion proof frame
- Large 34 litre hopper
- Quick and fume free operation
- Mechanically simple, it's virtually service free
