A5 AUTOMOTIVE

AUTO WASH & WAX

Auto Wash & Wax has a unique blend of surfactants that will break the bond of deposits with a rich foam holding them in place. For a scratch free, high shine finish, Auto Wash & Wax includes nano size carnuba wax which provides a protective barrier against UV and adhesion of grime and bugs.

FEATURES & BENEFITS

- Concentrated liquid – ensures economical dose rates.
- Neutral pH – safe on all surfaces Also ensures maximum safety to the operator.
- Free rinsing – will not streak.
- Suitable for use in soft or hard water.
- Can be applied through a foaming unit.
- Contains nano size wax component for optimal UV protection.

DIRECTIONS FOR USE

Do NOT wash in direct sunlight. Apply to surfaces cool to touch.

1. Add 30mL of Auto Wash & Wax per 4 litres of water in a bucket
2. Use a clean soft cloth or microfibre sponge and wash from top of vehicle down
3. Rinse thoroughly
4. Dry vehicle with a clean microfibre cloth
