

Backpack Vacuum

There are many things that should be present in a good backpack vacuum cleaner. It should be light in weight, with even weight distribution, and the noise level must be as low as possible. The Nilfisk GD 5/GD 10 backpack vacuums surpass all criteria, making fast productive cleaning at a price that won't bust your budget.

- Low sound level for operator comfort and cleaning in noise sensitive areas
- Good filtration with HEPA filter option
- Suitable for left or right handed
- 15 metre detachable cable with safety release saves time
- Userfriendly vacuum cleaner and a harness that is ergonomically designed reduces fatigue
- Available as battery version for greater freedom to clean just about anywhere
- Userfriendly battery pack means greater productivity through less use of energy
- Fully recyclable components used for reduced ecological impact
