

General purpose commercial vacuum for daily use

As with all Nilfisk machines, the VP300 ECO design is outstanding with careful attention given to ergonomics and environmental friendliness. The filling capacity is the best in its class, which means less time spent changing dust bags. The VP300 eco weighs just 5.2 kg making it easy to move from place to place. The eco labeled VP300 offers 25% reduced power consumption via a 900w fan unit whilst providing an excellent cleaning performance. And all of this at a highly competitive price. * machine only

- Low sound level of 67dB(A) creates less disturbance and enables daytime cleaning
- Eco friendly 900w fan unit allows us to reduce power by 25% yet still achieve an excellent cleaning efficiency
- Weighs just 5.2 kg* for easy portability
- Best in class filling capacity.
- 10L container with 8L dust bag net filling
- Entire machine, including hose and wand, can be carried safely and comfortably in one hand
- Superbly designed for simplicity and effective cleaning at an economic price
