sealed disposable  
cartridge system  
for added hygiene.

# Tork soap liquid S1 system

Hands spread 80%<sup>1</sup> of common infectious diseases. Washing and drying hands or sanitising reduces the risk of cross contamination.

## now dispensing better hand hygiene

The Tork® Soap Liquid S1 system has been redesigned to encourage better hand hygiene with new, mild formulation soaps and a disposable vacuum sealed cartridge system. The Tork S1 system includes the award-winning Tork Elevation dispensers and the stylish Aluminum dispenser.

### High performance

- All-in-one disposable cartridge system for easy load-and-go in just a few seconds
- High capacity hygiene solution ideal for busy washrooms and wash stations
- Versatile cleanser and sanitiser system with five refill grades; Mild Hand, Extra Hygiene, Industrial, Hair & Body and Alcohol Gel Hand Sanitizer.

### Improving hygiene

- New vacuum sealed cartridge system with disposable pump for improved hygiene
- Provides up to 1,000 washes per cartridge, reducing the risk of unhygienic soap run-out
- No-touch 'arm lever' dispenser is available for hygiene sensitive areas
- Improved formulation soaps with a pH value close to normal skin, maintains skin's natural balance
- Dermatologically tested and gentle for frequent washing and sanitising
- Tork S1 Extra Hygiene hand cleanser is ideal for the food service and healthcare segments and conforms with EN 1499<sup>2</sup> - laboratory tested to reduce 99.9% of bacteria on hands
- Tork S1 Alcohol Gel Hand Sanitizer conforms with EN 1500<sup>2</sup> - laboratory tested to reduce 99.9% of bacteria on hands

### Environmentally responsible

- Tork S1 Liquid Soaps have achieved Nordic Ecolabel accreditation\*
- Entire soap bottle and pump unit are recyclable after use
- SCA, the manufacturer of Tork products has been ranked as the second greenest company in the world†

<sup>1</sup> Government of South Australia, SA Health - Wash, Wipe, Cover brochure.

<sup>2</sup> European Standard tests for disinfectant validation of hygienic hand wash and hygienic hand rub.

\* Does not include Alcohol Gel.

† The Independent and EIRIS rankings 2007. Number 1 is a Danish manufacturer of wind turbines, Vestas Wind Systems.

## Tork Soap Liquid S1 Dispensing System

### Tork Elevation dispensers and innovation go hand in hand

- Award-winning, innovative dispensers perfectly combine functionality and design
- Two innovative locking modes. Lock can be set to be opened with a key where secure locking is necessary or lock set to be opened without a key for low risk areas
- Transparent front conveniently shows when refilling is required
- Tork system identifier printed in the dispenser allows quick refill identification
- Arm lever model available for touch free dispensing
- Tork Elevation is available in black or white

### Tork Aluminium sleek, European styling

- Aluminium surface is anodised giving a tough scratch resistant surface
- Stylish brushed aluminium surface resists fingerprints
- Tork Aluminium dispensers enhance the décor and image of the washroom
