RapidClean

National Supply Solutions

The Rapid Group is very focused on offering excellent service levels, great products and honest advice at a cost effective price. RapidClean has over 60 cleaning supply stores located throughout Australia and New Zealand and our aim is to provide our customers with the support of a national organisation while providing a local service, offering a single sourcing, cost effective one-stop-shop solution. Our stores are owned and managed by cleaning supply experts who supply a huge range of cleaning, packaging, catering and safety products. Our turnover is over \$100m and we use our huge buying power to save our customers money on excellent products and support them with our product knowledge and experience.

NATIONAL ACCOUNTS

Our National Account customers benefit from selecting their product range at head office and negotiating a price utilising their collated buying power complemented with a centralised national account. The RapidNational online ordering platform offers our national customers an easy to use system with the ability to set budgets, order limits and complete customisation.

What sets us apart from multi-national "box movers" is our delivery system and all the fact all profits stay in Australia and New Zealand. Our products are delivered to you by a RapidClean team member who knows exactly what's in the box, how it works and how to service it. This unique system offers our customers a "one-stop-shop" solution, from sales to repairs.

ON-LINE SUPPORT

RapidClean products are supported by a complete package of educational material including safety data sheets, product information sheets, risk assessment sheets, wall charts, training manuals and 14 online training courses. These are easily accessible from our website www.rapidclean.com.au or can be collated and provided in hard copy.
